ONLINE ASEAN INTERNATIONAL ACOUSTIC WORKSHOP

9 MAY 2023

INTERNATIONAL NOISE AWARENESS

ORGANISER

the ASEAN Acoustics Commission comprising the four acoustical societies and associations of Indonesia, Malaysia, Singapore and Thailand.

THEME AREAS

Acoustical and vibration measurement and instrumentation

Active noise and vibration control mechantronics

Aeroacoustics, thermoacoustics, combustion noise

Aircraft noise and vibration

Environmental and community noise

Soundscapes

Physical acoustics, ultrasound and wave propagation

Structural dynamics and nonlinear vibration

Materials for noise and vibration control

Psychological, physiological and biological acoustics

Signal processing and nonlinear methods

Room and building acoustics

Marine acoustics

Musical acoustics

Road and railway noise and vibration

WORKSHOP REGISTRATION FEES

The workshop will be free to all members of the acoustical societies and associations under the ASEAN Acoustics Commission. For non-members, the registration fee will be **SGD 10**.

ABSTRACTS DEADLINE

10 APRIL 2023

LENGTH OF ABSTRACTS

Limit of 300 words

ABSTRACTS SUBMISSION

please send all abstracts to wsgan@aac.asia
